Christmas Spirit Too Brief... Foolish Labor War... No Monopoly on Business

WALTER LIPPMANN

"Writing of 'Today and Tomorrow'"

Birthday

Dr. Linton R. Simmons

Yesterday I turned 76 years old. Dr. Linton R. Simmons, Jr., the author, editor, and philosopher who has been a leading figure in American intellectual life for over 50 years, is celebrating his 76th birthday.

"Today and Tomorrow"

Newton D. Baker

"Today and Tomorrow" is a collection of essays by Newton D. Baker, who served as Secretary of War under Woodrow Wilson and later as Governor of Oregon. The essays in the collection reflect his views on a wide range of issues, including international relations, education, and the role of government.
